

HOME DECOR

## HOME DECOR

Es el Lladró más funcional, que despierta los sentidos. Estilo en la mesa, arte en la pared, fragancias en el ambiente. Piezas que convierten una casa en un hogar.

*This is the most functional Lladró, which awakens the senses. Style on the table, wallart, fragrances in the air. Pieces that turn a house into a home.*

Cada una de estas creaciones Lladró ha sido elaborada a mano siguiendo un proceso enteramente artesanal que la hace única e irreplicable, por lo que puede mostrar pequeñas diferencias con el resto de piezas de su serie. Las imágenes de las piezas pueden variar ligeramente con respecto a los modelos originales.

*Each one of these Lladró creations is handmade following an entirely artisan process that makes it unique and unrepeatable, so there may be minor differences with the other pieces in its series. The pictures of the pieces may vary slightly from the original models.*
